- Distributor Sales Personnel

## Our Vision, Mission, & Goals

### Vision

Recognition as a professional training team that values our customers' questions and comments. We will do this by providing world class training for coatings professionals in North America.

### Mission

To promote continuous improvement to all customers by delivering programs on the safety, environmental, and technical needs of the sign painting industry.

### Goals

- To provide a wide assortment of paint application and industry topics to all paint professionals through our "hands on" approach.
- To educate sign professionals with the most current information on our new and existing products.
- To boost the efficiency and production of paint applicators.

## General Topics Covered

- Safety
- MSDS Sheets
- Mixing Stations
- Substrate Preparation
- Specialty Products
- Shop and Spray Equipment
- Fundamentals of Painting
- Basic Troubleshooting
- Matthews Top Coats
- Matthews Clear Coats
- Matthews Primers

### Very practical too...

- 60% of the training is spent in a classroom setting.
- 40% of the training is spent in actual spraying time.
