

WHEN YOU WANT TO MAKE A LASTING IMPRESSION, THERE IS NO EQUAL.

THEN AGAIN, YOU MIGHT PREFER NEW DURANAR® POWDER COATINGS.

FOR UNEQUALED PERFORMANCE,
CHOOSE DURANAR® LIQUID FLUOROPOLYMER COATINGS.

SPECIFY AND TRUST PPG CERTIFIED APPLICATORS

UNEQUALED BEAUTY. UNEQUALED PROTECTION. AND NOW, UNEQUALED CHOICE.

Now there's a powder coating tough enough to support the unequalled reputation of Duranar® Coatings – new Duranar Powder Coatings. Only PPG can answer the specific needs of your project with the right formulations, the right technology, the assurance of our Certified Applicator Program – and now liquid and powder coatings. Which means that now there's only one question for you to ask: Liquid or powder? Find out at www.ppgduranar.com.
